Using Back painting tempered glass.

### FRP & Lintel:

Side post & Lintel:

Using Stainless steel etching pattern.

### Car Door:

Stainless steel etching pattern.

### Handrails:

Ø38mm Stainless steel brush finish on LH wall & RH wall

### Ceiling:

Using Stainless Steel ceiling with 02 no's LED diffuser & fixing brackets.

# KJ - 002

THE KJ 002 is combination of Stainless steel etching & Back painting glass

## Highlights:

### LH wall & RH wall:

Using Stainless steel etching pattern.

### Rear wall:

Using Back painting tempered glass.

### FRP & Lintel:

Side post & Lintel:

Using Stainless steel etching pattern.

### Car Door:

Stainless steel etching pattern.

### Handrails:

Ø38mm Stainless steel brush finish on LH wall & RH wall

### Ceiling:

Using Stainless Steel ceiling with 02 no's LED diffuser & fixing brackets.

# KJ - 003

THE KJ - 003 is a combination of Stainless steel etching.

## Highlights:

### LH wall & RH wall:

Using Stainless steel etching pattern.

### Rear wall:

Using Stainless steel etching pattern.

### FRP & Lintel:

Side post & Lintel:

Using Stainless steel hairline finish.

### Car Door:

Stainless steel etching pattern.

### Handrails:

Ø38mm Stainless steel brushed finish on LH wall & RH wall.

### Ceiling:

Using Stainless Steel ceiling with 02 no's LED acrylic diffuser & fixing brackets.

# KJ - 004

THE KJ - 004 is a combination of Stainless steel rose gold & etching pattern.

## Highlights:

### LH wall & RH wall:

Using partial Stainless Steel rose gold & SS rose gold etching pattern.

### Rear wall:

Using partial Stainless Steel rose gold & Stainless Steel rose gold etching pattern.

### FRP & Lintel:

Side post & Lintel:  
Using Stainless Steel rose gold.

### Car Door:

Stainless Steel rose gold etching pattern.

### Handrails:

Flat type SS rose gold brush finish on LH, RH & Rear wall.

### Ceiling:

Using SS rose gold with grooves & 02 no's LED down light & fixing brackets.

# KJ - 005

THE KJ - 005 is a combination of Stainless steel bronze etching & Clear glass

## Highlights:

### LH wall & RH wall:

Using Stainless steel bronze mirror Islamic etching pattern.

### Rear wall:

Using clear glass with SS bronze frame.

### FRP & Lintel:

Side post & Lintel:  
Using SS plain bronze mirror finish.

### Car Door:

SS Bronze Islamic etching.

### Handrails:

Ø38mm Stainless steel brush finish on LH wall & RH wall

### Ceiling:

Using SS Bronze mirror ceiling with LED diffuser & fixing brackets.

# KJ - 006

The KJ-006 is a combination of stainless-steel mirror finish, Grade 304.

## Highlights:

### LH wall & RH wall & Rear wall:

Using stainless steel mirror finish 304 Grade with MDF backing

### FRP & Lintel:

Side post & Lintel:  
Using stainless steel hairline finish 304 Grade.

### Car Door:

Using stainless steel hairline finish.

### Handrails:

Ø38mm Stainless steel brush finish floor  
Mounting type handrail on LH wall, RH wall & Rear wall.

### Ceiling:

Using Stainless steel mirror finish 304 grade ceiling with LED cove lights & Fixing brackets as per the requirements.

# KJ - 007

THE KJ - 007 is a combination of stainless-steel finish & marble.

## Highlights:

### LH wall & RH wall:

1st & panel using stainless steel Champagne hairline finish 304 grade. 2nd panel using 04 no's marble panels with stainless steel champagne brush Finish trims between the leather panels.

### Rear wall:

Using stainless steel champagne hairline Finish with the custom etching pattern 304 grade with the MDF backing.

### FRP & Lintel:

Side post & Lintel: Using stainless steel Champagne hairline finish 304 grade

### Car Door:

Using Champagne hairline finish.

### Handrails:

Not applicable.

### Ceiling:

Using SS champagne hairline finish. with 04 No's LED spotlights & fixing brackets.

# KJ - 008

THE KJ - 008 is a combination of stainless-steel finish.

## Highlights:

**LH wall, RH wall & Rear wall:** 1st & panel using stainless steel Plain bronze rose gold mirror finish 304 grade. 2nd panel using stainless steel etched Pattern bronze rose gold mirror finish 304 grade with MDF backing.

## FRP & Lintel:

Side post & Lintel:

Using stainless steel Plain bronze rose Gold mirror finish 304 grade.

## Car Door:

Using stainless steel etched Pattern bronze rose gold mirror finish 304 grade.

## Handrails:

Ø38mm Stainless steel bronze brush finish floor handrail on Rear wall only.

## Ceiling:

Using SS bronze mirror finish 304 grade with The laser cutting pattern & LED acrylic diffuser& fixing brackets as per the requirement.

# KJ - 009

THE KJ - 009 is a combination of stainless steel Champagne gold hairline finish 304 grade & Clear cabin mirror.

## Highlights:

### LH wall, RH wall & Rear Wall:

Half height using stainless steel champagne gold hairline finish & upper half height using Clear polish Edges mirror with MDF backing.

### FRP & Lintel:

Using stainless steel champagne gold hairline finish.

**Car Door:** Using stainless steel champagne gold hairline finish.

### Handrails:

Ø38mm Stainless steel champagne gold brush finish handrail on LH wall & RH wall only.

### Ceiling:

Using Stainless steel champagne gold hairline finish with the LED acrylic diffuse & the fixing brackets as per the requirements.

# KJ - 010

THE KJ - 010 is a combination of  
Stainless steel gold panels

## Highlights:

### LH wall & RH wall:

1st & 3rd panel using Stainless steel titanium gold hairline finish; 2nd panel using Stainless steel titanium gold Mirror finish with LED Cove lights on either side of panels.

### Rear wall:

1st & 3rd panel using Stainless steel titanium gold hairline finish; 2nd panel using Stainless steel titanium gold Mirror finish with LED cove lights on either side of panels.

### FRP & Lintel:

Side post: using Stainless steel titanium gold hairline finish; Lintel: using Stainless steel titanium gold hairline finish.

**Car Door:** Cladding using Stainless steel titanium gold hairline finish.

**Handrails:** N/A

### Ceiling:

Using Stainless steel titanium gold hairline finish with LED Cove lights.

# KJ - 011

THE KJ - 011 is a combination of Stainless steel gold finish, glass Mirror, LED lights & Steel.

## Highlights:

### LH wall & RH wall:

Using Stainless steel titanium gold hairline finish with the metal trims between the panels.

### Rear wall:

Using Clear Mirror, Stainless steel titanium gold hairline finish & LED acrylic diffuser Lights.

### FRP & Lintel:

Side post: using Stainless steel titanium gold hairline finish. Lintel: using Stainless steel titanium gold hairline finish.

**Car Door:** Cladding using Stainless steel titanium gold hairline finish.

### Handrails:

Ø38mm Stainless steel gold brush finish on Rear wall.

### Ceiling:

Using Stainless steel gold hairline finish. ceiling with LED acrylic diffuser lights & fixing brackets as per the requirement.

# KJ - 012

THE KJ - 012 is a combination of Stainless Steel rose gold mirror & Standard Wood veneer

## Highlights:

### LH wall & RH wall:

Using Standard wood veneer with Stainless Steel rose gold mirror between the wood panels.

### Rear wall:

Using partial-height stainless steel Rose gold mirror & partial-height glass mirror.

### FRP & Lintel:

Side post & Lintel:

Using Stainless Steel rose gold mirror.

### Car Door:

Stainless Steel rose gold mirror finish.

### Handrails:

Ø38mm Stainless steel rose gold mirror finish on LH wall, RH wall & Rear wall.

### Ceiling:

Using Stainless Steel rose gold mirror with LED Acrylic diffuser & fixing brackets.

# KJ - 013

THE KJ - 013 is a combination of Wood veneer & stainless-steel finish.

## Highlights:

### LH wall & RH wall:

Using wood veneer with MDF backing.

### Rear wall:

Using stainless steel gold mirror finish.  
304 Grade with MDF backing

### FRP & Lintel:

Side post & Lintel:  
Using SS bronze hairline finish.

### Car Door:

Using Stainless Steel bronze hairline finish.

### Handrails:

Flat type SS bronze hairline finish  
Curved-end handrail on LH wall & RH wall.

### Ceiling:

Using SS bronze hairline finish with 04 No's LED spotlights & fixing brackets.

# KJ - 014

THE KJ- 014 is a combination of stainless steel etching hairline finish 304 grade, wood veneer & Clear mirror.

## Highlights:

### LH wall, RH wall & Rear Wall:

1st & 3rd panel using American walnut wood Veneer with MDF backing; 2nd panel using stainless steel etching hairline finish 304 grade

### FRP & Lintel:

Using American walnut wood Veneer with MDF backing.

### Car Door:

Using stainless steel etching hairline finish 304 grade.

### Handrails:

Flat Stainless steel bronze brush finish handrail on LH wall, RH wall & Rear wall.

### Ceiling:

Using Stainless steel white color ceiling With the LED cove lighting & the fixing brackets as per the requirements.

# KJ - 015

THE KJ - 015 is a combination of Wood veneer & stainless-steel finish.

## Highlights:

### LH wall & RH wall:

Using wood veneer with MDF backing.

### Rear wall:

1st & 3rd panel Using 6mmthk with MDF Backing; 2nd panel using clear polish Edges mirror with MDF backing.

### FRP & Lintel:

Side post & Lintel:

Using wood veneer with MDF backing.

### Car Door:

Using SS bronze hairline finish.

### Handrails:

Ø38mm Stainless steel SS bronze hairline finish on LH wall. RH wall & Rear wall.

### Ceiling:

Using SS bronze hairline finish with 04 No's LED spotlights & fixing brackets.

# KJ - 016
